

Zoë Gonzales

Web Developer

Denver, CO 80210
(917) 244-1814
zoegonzales03@gmail.com

PROJECTS

Cyber Ed

MongoDB, Mongoose, React, Express, JSON Web Tokens, PassportJS, bcrypt

- App testing the user's knowledge of personal online privacy.
- **Code:** github.com/zoe-gonzales/cyber-ed
- **Live:** cyber-ed.herokuapp.com

Budget Tracker

Golang, SQL, MySQL

- CLI that enables users to add, view, update, and delete records stored in a MySQL database.
- **Code:** github.com/zoe-gonzales/go-budget-it

Shelter Manager

MongoDB, Mongoose, Express, React, Trello

- Collaborative project in a team of six. Worked across the stack to build controllers for animals and donations added to the database, API routes in Express, and multiple React components.
- **Code:** github.com/zoe-gonzales/shelter-manager
- **Live:** journey-shelter-manager.herokuapp.com

Google Books Search

MongoDB, Mongoose, React, Express, Foundation, Google Books API, Socket.io

- MERN app allowing users to search for books via the Google Books API, then save and delete their favorites.
- **Code:** github.com/zoe-gonzales/google-books
- **Live:** gbookssearch.herokuapp.com

EXPERIENCE

Trilogy Education Services, Denver, CO (Remote)

Profile Coach - April 2018 - Present

Collaborated with another Profile Coach to develop a 30-page guide on resume development.

Created and delivered a workshop and various written resources to help professionals across Web Development, Data Analytics, UX/UI design, and Information Security fields to succeed in their job searches.
