Frontend developer with customer service and career services experience. Strong communication and cross-team collaboration skills. Adaptable to quickly changing environments and dedicated to continuous improvement.

**Technical Skills:** HTML, CSS, Bootstrap, Git, Github, jQuery, AJAX, Responsive Web Design

## PROJECTS

**Trip Over This** – HTML, CSS, Javascript, jQuery, Bootstrap, SeatGeek and Zomato APIs, Firebase, Moment.js, Animate.css

- Collaborated on a team of 4 to develop an app that helps users find events and breweries in unfamiliar cities.
- Worked with the SeatGeek API to display data. Assisted with debugging of AJAX calls and project management.
- Created user input validation so that all fields must be entered for the user to retrieve information.
